GARNIER COMMITS TO GREENER BEAUTY

OUR 2025 COMMITMENTS TOWARDS MORE SUSTAINABILITY

MORE SOLIDARITY SOURCING

Today, we empower **787 communities as part of our ingredient sourcing programs**.

By 2025, this will include **1000 communities**.

MORE ECO FRIENDLY FORMULAS

In 2020, our new or renovated hair care formulas reach an average of 90% biodegradability[1].

By 2025, 75% of our ingredients in our new and renovated skincare and haircare will be biobased, derived from abundant minerals or from circular processes.

APPROVED BY Cruelty Free INTERNATIONAL

Since March 2021 all Garnier products are officially approved by Cruelty Free International under the Leaping Bunny Programme, the leading organisation working to end animal testing.

MORE RECYCLED & RECYCLABLE PACKAGING

In 2020, thanks to the use of recycled plastic, we saved 9019 tons of virgin plastic. Starting February 2021, Fructis and Whole Blends bottles are made of 100% recycled plastic in Europe and in the US.

By 2025, all Garnier plastic packaging will be reusable, recyclable and compostable.

MORE RENEWABLE ENERGIES

Since 2005, our plants and distribution centres have cut water by 53% and CO2 emissions by 69%.

By 2025, 100% of our industrial sites will be carbon neutral, and will only use renewable energy.

PURE ACTIVE

GARNIER SKINACTIVE

OILY TO COMBINATION SKIN WITH IMPERFECTIONS

FOR STUBBORN BLACKHEADS & IMPERFECTIONS

	PURE ACTIVE	PURE ACTIVE **CHARCOAL**
PROBLEM	Excess oil produced by the skin can lead to the appearance of blackheads and imperfections. To regulate the production of oil it is necessary to have a regular daily cleansing routine that uses products specifically created for oily/problematic skin.	Hormonal influences can cause excess oil to accumulate on the skin's surface, leading to clogged pores. The over-production of oil can result in more aggressive spots and blackheads that require a more intensive skincare regime.
AGE	18 - 30	18 - 30
SKIN TYPE	Skin prone to imperfections and impurities.	Oily skin prone to spots and blackheads.
SOLUTION	Pure Active is a skincare range to fight imperfections & purify skin. Excess oil is regulated, the appearance of spots are reduced, and skin is left looking pure and matte.	Pure Active Charcoal is a concentrated product range for imperfections & marks. Instantly, blackheads are visibly reduced, spots and redness are less visible. In 4 weeks, the appearance of marks are reduced.
ACTIVE NATURAL INGREDIENTS	**Eucalyptus:** Selected for its cleansing and purifying properties to help manage problematic skin. **Mineral Zinc:** known for its oil-regulating properties. **3 in 1 Wash, Scrub, Mask:** Contains Pumice stone and Smithsonite extract for their exfoliating properties, and Zinc, Salicylic Acid and White Clay for their purifying properties. **Anti-Imperfection Sheet Mask:** Enriched with Tea Tree and Salicylic Acid to mattify your skin and visibly unclog pores.	**3 in 1 Charcoal: Wash, Scrub & Mask:** Harnesses the purifying properties of Charcoal, the antibacterial properties of Salicylic Acid. **Ultra-Exfoliating Cleansing Cream:** Harnesses the purifying properties of Salicylic Acid and the natural ingredient: Herbarepair. **Charcoal Scrub:** Harnesses the purifying properties of Charcoal and the anti-bacterial properties of Salicylic Acid.
