GARNIER SKINCARE TRAINING 2023

GARNIER COMMITS TO GREENER BEAUTY

OUR 2025 COMMITMENTS TOWARDS MORE SUSTAINABILITY

MORE SOLIDARITY SOURCING

Today, we empower **787 communities as part of our ingredient sourcing programs.**

By 2025, this will include **1000 communities.**

APPROVED BY Cruelty Free INTERNATIONAL

Since March 2021 all Garnier products are officially approved by Cruelty Free International under the Leaping Bunny Programme, the leading organisation working to end animal testing.

MORE RENEWABLE ENERGIES

Since 2005, our plants and distribution centres have cut water by 53% and CO2 emissions by 69%.

By 2025, 100% of our industrial sites will be carbon neutral, and will only use renewable energy.

MORE ECO FRIENDLY FORMULAS

In 2020, our new or renovated hair care formulas reach an average of 90% biodegradability¹.

By 2025, 75% of our ingredients in our new and renovated skincare and haircare will be biobased, derived from abundant minerals or from circular processes.

MORE RECYCLED & RECYCLABLE PACKAGING

In 2020, thanks to the use of recycled plastic, we saved 9019 tons of virgin plastic. Starting February 2021, Fructis and Whole Blends bottles are made of 100% recycled plastic in Europe and in the US.

By 2025, all Garnier plastic packaging will be reusable, recyclable and compostable.

GARNIER ACTIVE SERUMS

GARNIER SKINACTIVE

VITAMIN C* BRIGHTENING SERUM

VITAMIN C IS A FORM OF ANTIOXIDANT SKINCARE

Antioxidants are basically your best defence against free radicals. Free radicals are unstable atoms that run rogue in the body and can cause damage to cells – including skin cells.

They're unstable because they have an odd number of electrons. Antioxidants have extra electrons that they donate to free radicals to stabilise them and help reduce unwanted effects. Vitamin C is a powerful antioxidant, which means it's great for protecting your skin from natural and environmental stressors – including things like sun damage.

VITAMIN C AND COLLAGEN

Vitamin C is naturally acidic, which stimulates the production of collagen and elastin, two important proteins that can help your skin maintain its youthful appearance. Collagen can help fill out your skin cells, minimising the appearance of fine lines and wrinkles, while elastin helps boost your skin's ability to snap back into shape after it's stretched. As well as benefitting the shape and texture of your skin, these proteins can help improve strength and encourage repair. Vitamin C is thought to inhibit melanin production, which can mean a reduction in the appearance of dark spots and help maintain a level skin tone over time.

SOME OTHER MAJOR BENEFITS OF VITAMIN C INCLUDE:

1. It helps to protect the skin from environmental damage (sun damage)
2. It helps to brighten skin and reduces the appearance of hyperpigmentation
3. It helps to reduce the appearance of dark spots and even out your skin tone

Garnier's Vitamin C* Brightening Serum is enriched with 3.5% [Vitamin Cg, Niacinamide & Salicylic Acid], plus lemon extract, to visibly reduce the appearance of dark spots, even skin tone and brighten. The formula is carefully blended to provide dark-spot action without being heavy or greasy on the skin. Bottle made from recyclable glass.

Our Vitamin C* is naturally derived from glucose extracted through corn using enzymatic biotransformation through fermentation. This process maintains the efficacy of the ingredients but with reduced impact on the environment.

RESULTS: **Immediately**:** skin appears more radiant and healthier
From 3 days:** skin appears more even, brighter and smoother
From 6 days:** the visibility of dark spots is reduced
In 8 weeks:** 43% of dark spots and acne marks are visibly reduced

THIS FORMULA ALSO CONTAINS: **Salicylic Acid:** a gentle exfoliator of dead skin cells.
Niacinamide: a trending derm active known for its soothing & brightening properties

HOW TO USE: Apply 1 full dropper to clean face and eye contours and gently smooth into skin. Use morning and evening and follow with your day or night cream.

RRP[^]: \$34.99

*Vitamin Cg.

**Cosmeto-clinical test, 74 subjects, 8 weeks.

[^]Each recommended retail price ("RRP") set out or referred to in this document is a recommended price only and there is no obligation to comply with the recommendation.

GARNIER ACTIVE SERUMS

HYALURONIC ALOE REPLUMPING SERUM

HYALURONIC ACID BENEFITS FOR YOUR SKIN

Hyaluronic acid is naturally present in the skin but its concentration decreases with age. It is important to supply skin with it to preserve its moisture. It is able to bind up to 1000x times its weight in water which helps to replump skin and restore its smoothness and radiance.

HYDRATING POWER OF ALOE VERA

From natural origin, our aloe vera is extracted from responsible and renewable sources. Grown in Mexico, the pulp inside the aloe vera plant is concentrated into a powder using a cold process to keep its essential properties. It is well known to deeply moisturise the skin and soothe irritations.

GLYCERIN IN SKINCARE

Because of its ability to attract and retain water, it is known as a moisturizing agent to protect the skin and make it softer. At Garnier, we extract glycerin from plants in compliance with the principles of green chemistry, processes which respect the environment.

Garnier's NEW Hyaluronic Aloe Replumping Serum is our 1st Hyaluronic Acid Serum concentrated with **3% [GLYCERIN + HYALURONIC ACID + ALOE VERA]** to hydrate skin up to 10 layers deep* from the 1st use. Immediately your skin is replumped, intensely hydrated and appears more supple**!

Our Hyaluronic Acid is naturally derived from wheat derivatives using enzymatic biotransformation through fermentation. This process maintains the efficacy of the ingredients but with reduced impact on the environment.

RESULTS: **Immediately**:** skin feels softer, skin feels suppler, skin feels strengthened.
After 1 month:** skin is bouncier, skin is more glowy, skin appears healthier and more fresh.
 This serum has a Vegan^ Formula, designed to fit all skin tones and types, and is dermatologically and ophthalmologically tested.

HOW TO USE: Apply 1 full dropper to clean face and eye contours and gently smooth into skin. Use morning and evening and follow with your day or night cream.

RRP^: \$34.99

*Upper layers of epidermis/stratum corneum.

**Consumer test, 48 women.

GARNIER ACTIVE SERUMS

AHA + BHA ANTI-BLEMISH SERUM

DISCOVER OUR 1ST SERUM FOR ACNE-PRONE SKIN

Our skin naturally exfoliates dead cells every day, but due to various external environmental aggressors and other internal triggers this can disrupt the process causing imperfections and blemishes. This results in enlarged pores, pimples, and uneven skin tone. Garnier scientists have been working on a solution, introducing AHA + BHA Anti-Blemish Serum.

DON'T HIDE YOUR BLEMISHES, FIGHT THEM!

By utilising the best of nature and science with a powerful mix of 4% [AHA + BHA + NIACINAMIDE + CHARCOAL] specifically designed for those with oily, acne-prone skin.

Garnier's NEW AHA + BHA Anti-Blemish Serum is designed to visibly reduce pimples, the appearance of marks & imperfections, and improve skin texture for smoother and more even looking skin. Scientifically proven to visibly reduce blemishes by -35% in 28 days*.

LACTIC ACID (AHA) + SALICYLIC ACID (BHA) – EXFOLIATE

AHA and BHA exfoliants both work to help dissolve the dead skin cells on the surface. This action is known as chemical exfoliation, rather than the mechanical action of a scrub. AHA exfoliants are water soluble that lift off dead skin cells to reveal smoother skin. BHAs exfoliants are oil soluble acting deep inside the pores to break down sebum and oil, reducing pimples and blackheads.

NIACINAMIDE – SMOOTHIE

It is a form of vitamin B3, with soothing properties. It can visibly improve the appearance of uneven skin tone and residual acne marks.

PURIFYING CHARCOAL – DETOXIFY

Our natural origin charcoal helps to purify and mattify the skin to improve its appearance.

RESULTS:	Immediately**: skin feels smoother and mattified. In 28 days*: -35% blemishes, pimples, blackheads, pores, residual marks, and redness appears reduced. Our formula is vegan and dermatologically tested to be suitable for those with sensitive skin. This lightweight, fast-absorbing black formula rubs in clear and leaves no residue.
HOW TO USE:	Apply the Anti-Blemish serum to a clean face, and gently smooth into the skin. Use morning and evening as a daily serum, or as a targeted care on spots.
RRP[^]:	\$34.99

*Cosmeto-clinical test, 43 volunteers, twice daily application for 28 days.

**Consumer test, 155 volunteers.

PURE ACTIVE

OILY TO COMBINATION SKIN WITH IMPERFECTIONS

FOR STUBBORN BLACKHEADS & IMPERFECTIONS

	PURE ACTIVE ANTI-SPOT		PURE ACTIVE ANTI-BLACKHEAD	
PROBLEM	Excess oil produced by the skin can lead to the appearance of blackheads and imperfections. To regulate the production of oil it is necessary to have a regular daily cleansing routine that uses products specifically created for oily/problematic skin.		Hormonal influences can cause excess oil to accumulate on the skin's surface, leading to clogged pores. The over-production of oil can result in more aggressive spots and blackheads that require a more intensive skincare regime.	
AGE	18 – 30		18 – 30	
SKIN TYPE	Combination to imperfection-prone skin.		Acne and blackhead prone skin.	
SOLUTION	Pure Active is a skincare range to fight imperfections & purify skin. Excess oil is regulated, the appearance of spots are reduced, and skin is left looking pure and matte.		Pure Active Charcoal is a concentrated product range for imperfections & marks. Instantly, blackheads are visibly reduced, spots and redness are less visible.	
ACTIVE NATURAL INGREDIENTS	3 in 1 Wash, Scrub, Mask: Contains Pumice stone and Smithsonite extract for their exfoliating properties, and Zinc, Salicylic Acid and White Clay for their purifying properties. Anti-Imperfection Sheet Mask: Enriched with Tea Tree and Salicylic Acid to mattify your skin and visibly unclog pores.		3 in 1 Charcoal Wash, Scrub & Mask: Harnesses the purifying properties of Charcoal, the antibacterial properties of Salicylic Acid.	
PRODUCTS	Pure Active Anti-Imperfection Sheet Mask Pure Active 3 in 1: Wash, Scrub & Mask 150ml	Pure Active Daily Pore Scrub 150ml	Charcoal 3 in 1: Wash, Scrub & Mask 150ml AHA+BHA Anti-Blemish Serum 30ml	Charcoal Peel Off Mask 50ml
HOW TO USE	Mask: Unfold and apply on clean face. Leave on for 15 mins and remove. Massage excess serum into the skin.	Daily Pore Wash: Apply the deep pore scrub on wet face. Massage gently, concentrating on areas prone to excess oil (forehead, nose and chin). Rinse thoroughly.	3 in 1: Wash: apply daily to a wet face. Rinse thoroughly with water. Scrub: apply daily, massaging product in circular motions, concentrating on the T-Zone (forehead, nose & chin). Rinse off with water. Mask: apply to face 2-3 times per week. Allow to dry for 5 minutes. Rinse off with water.	Peel Off Mask: Apply a generous, even layer to a clean, dry face (focusing on T-zone). Once dry, peel off gently from the bottom up. Rinse any residue. Use up to 2 times a week.

NEW

AVAILABLE FROM AUGUST 2023

HYALURONIC CRYO JELLY MASKS

FACE MASK

EYE MASK

PROBLEM	Being chronically tired and watching digital screens every day create fatigue signs on your skin, especially on the fragile eye area. Consequences? Puffiness, dark circles, and eye bags.
AGE	All
SKIN TYPE	Normal – Dehydrated/Normal – Fatigued
SOLUTION	Garnier introduces Hyaluronic Cryo Jelly Sheet Mask & Eye Patches, a spa experience at home. Inspired by the most advanced skin treatments, our new mask and patches combine a unique hydrogel-like technology with a -7°C cryo cooling effect*, which instantly boosts the freshness of your skin to depuff your eye bags and improve your skin's firmness.
ACTIVE NATURAL INGREDIENTS	Glycerin: Known for its moisturizing, emollient, and protective properties. Hyaluronic Acid: Our superstar ingredient, famous for its hydrating benefits, which helps improve the suppleness and the softness of the skin. Cucumber: Used in the most premium spa treatments, our formula is infused with cucumber. Methol: Known for its cooling properties.
PRODUCTS	Garnier Hyaluronic Cryo Jelly Sheet Mask: Garnier's experts have developed a sustainable yet efficient alternative to hydrogel, using jellified juice and non-woven fabric, infused with powerful actives to hydrate and tighten the appearance of skin. Garnier Hyaluronic Cryo Jelly Eye Mask: Toning ice-cube-like jelly patches. Eye bags look less puffy, eye contours look less tired, dark circles appear reduced.
HOW TO USE	3 STEPS TO REDUCE FATIGUE SIGNS, 3 TIMES A WEEK STEP 1: Thoroughly cleanse skin before using Hyaluronic Cryo Jelly Face Mask & Eye Patches. STEP 2: FOR FACE: Gently apply on clean face and adjust mask to the contour of the face. Leave it for 15 minutes. FOR EYES: Gently apply the patches and leave them for 15 minutes. STEP 3: FOR FACE: Remove the mask and gently massage the residue into the skin, including neck, or remove it with a cotton pad. FOR EYES: Remove the patches and gently massage the excess of formula or remove it with a cotton pad.
RRP[^]	Garnier Hyaluronic Cryo Jelly Sheet Mask: \$8.99, Garnier Hyaluronic Cryo Jelly Eye Mask: \$6.99

*Based on instrumental test, immediately after mask removal, on 30 women.

BODY

ULTIMATE BEAUTY OIL

PROBLEM	For many people with dry skin, (& those with normal skin during winter) body soap and body moisturiser is often not enough.
SOLUTION	Garnier Ultimate Beauty Oil, Beauty Oil Scrub & Lotion combine a delicate formula of 4 dry oils to illuminate, nourish and exfoliate to visibly transform the skin. Beauty Oil Scrub: Exfoliates, nourishes and illuminates to reveal visibly smoother skin with a satin like glow. Nourishing Lotion: Nourishes, illuminates and perfects the skin in a creamy lotion.
HOW TO USE	Beauty Oil Scrub: Apply on wet body skin and gently rub on skin in circular motions to exfoliate body skin. Rinse off. Do not apply on face. In case of contact with the eyes, rinse immediately and thoroughly. Ultimate Beauty Lotion: Apply on dry and cleansed body. Do not apply on face. Lotion is suitable for everyday use.
ACTIVE NATURAL INGREDIENTS	Enriched with argan, almond, macadamia and rose oils, the scrub also includes innovative new cupuaca seeds renowned for moisturising properties. This range delivers a luxurious formula to nourish and illuminate skin.
PRODUCTS	Beauty Oil Scrub Ultimate Beauty Lotion
RRP[^]	Beauty Oil Scrub \$11.95 Ultimate Beauty Lotion \$9.95

SELF TAN

NATURAL BRONZER

PROBLEM	Finding the perfect natural looking streak-free tanning product is hard.
SOLUTION	Garnier Natural Bronzer offers express tanning solutions powered with 100% botanical tanning active and nourishing oil, for a natural glow. The Self-tan Lotion gives a beautiful tan while hydrating and smoothing your skin. Enriched with nourishing apricot oil, it provides a streak-free, natural-looking tan that lasts up to one week*. Quick drying. Fresh fragrance.
ACTIVE NATURAL INGREDIENTS	Naturally derived DHA: Naturally sourced vegetable oils (tanning ingredients) works to optimize the natural effect on the skin. Apricot oil: helps to prevent the skin from drying out
HOW TO USE	EASY STEPS FOR A PERFECT NATURAL-LOOKING TAN 1. Exfoliate skin. 2. Ensure skin is dry before applying. 3. Apply evenly on the skin in regular motions. 4. Wash your hands thoroughly. Allow tan to develop for 1 hour*. No need to wash off. You may re-apply as desired to achieve a deeper tan. Precautions: Does not protect the skin from UV rays. In case of contact with eyes, rinse immediately. Avoid contact with fabrics. If clogging occurs, rinse under warm water.
PRODUCTS	Natural Bronzer
RRP[^]	\$18.99

*Allow tan to develop for 1 hour.
